

CAVMA Group

The CAVMA uses Google Groups to host its group email. Use the form below to subscribe. You must be a verified paid member of the CAVMA to participate in this group.

Subscribe to CAVMA

You will need to create a google account to use the groups. If you have received an email about the CAVMA group, that email address is already set up as a google account, but you will need to verify it using the google sign in form. This can be a bit confusing, but [click here](#) for a good place to start!
